

# Brevet A & B

## *Taxation*

### **BACKGROUND**

Most people know taxes as a tradition of paying the government for the property they owned, without understanding the basis and meaning and purpose of paying taxes. This ignorance then makes many people neglect and do not fulfill their obligation to pay taxes and end up bringing them into dealing with the law. Understanding the concept of taxes, the laws of taxes, and other matters related to taxes are very important. Besides for personal awareness, studying taxes also provides many other benefits. By understanding taxes, we will understand what the true meaning of taxes is, its legal basis, tax functions, sanctions for violators and everything related to taxation.

### **PURPOSE**

Putera Batam University cooperates with the Indonesian Institute of Accountants (MoU No: 022/MOU/UPB/VI/2019) by conducting Brevet tax training which has been designed to provide comprehensive knowledge and to improve skills of Putera Batam University students and graduates in the field of taxation according to applicable regulations.

### **TARGET PARTICIPANTS**

Students, lecturers, employees, and public in general.

### **GRADUATES COMPETENCIES**

- Understanding the tax obligations that apply in Indonesia and how to fulfill them.
- Understanding tax calculation and reporting techniques.
- Having a basic tax consultant certification exam.
- Knowing the latest provisions in the world of taxation.
- Being able to prepare tax planning for themselves and the company they represent.

### **TRAINING AND CERTIFICATION**

Brevet A & B training will be carried out in 14 meetings. At the end of the training, participants who are considered competent will be given a certificate issued by LTC UPB. The certificate is recognized nationally and can be used as proof of the competency of participants in Brevet A & B.
